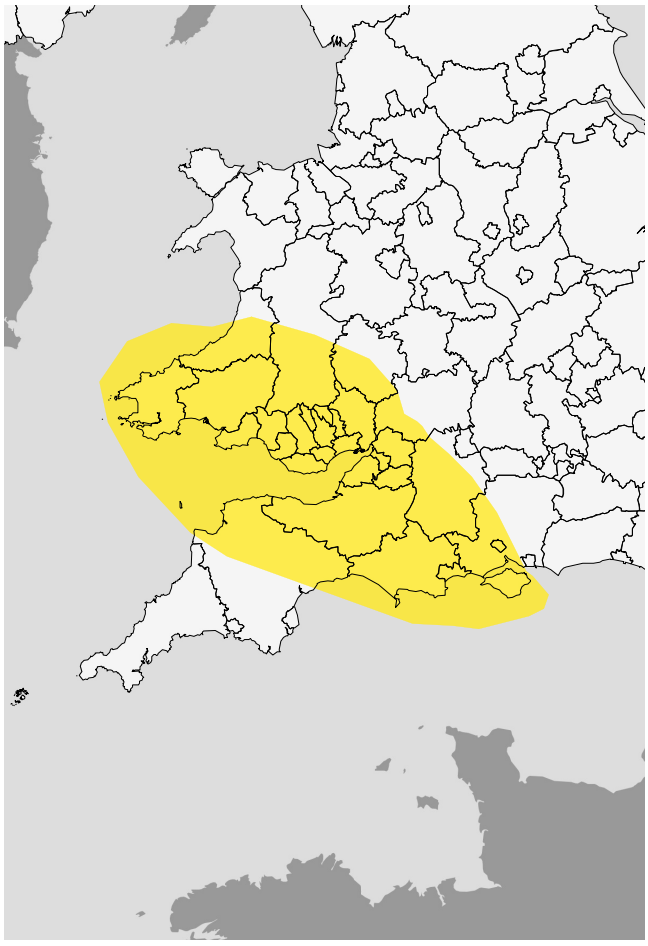
Yellow warning
Rain

Between
19:00 Sun 11 Jun 2023 and
09:00 Mon 12 Jun 2023



Heavy rain may bring some disruption during Sunday evening and night.

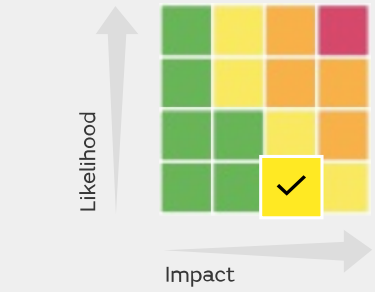
What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Spray and flooding could lead to difficult driving conditions and some road closures. Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- There is a small chance that some communities will become cut off by flooded roads

Further details

An area of heavy rain is expected to develop and move northwestwards across parts of southern and southwest England and the southern half of Wales during Sunday evening, clearing early on Monday morning.

This will not affect the entire warning area, but within this a corridor of 10-20 mm of rain is likely and there is a chance that a few places may see 40-60 mm within 3 to 6 hours. There is also a chance of a few thunderstorms within this area.



Very low likelihood of medium impacts
